How to make a snowman

1. Go to shapes pick the circle make it white for the head about $2\frac{1}{2}$ cm in diameter and put it in the top middle of the screen.
2. Go to shapes pick the circle body white $4\frac{1}{2}$ cm diameter put it under the head but make it touch the head.
3. Go to shapes pick the circle then that's the bottom part of the snowman white $5\frac{1}{2}$ cm in diameter make it go under the middle part of the snowman but make it touch middle ball put it on the bottom part of the ground.
4. Go to shapes and click on the rectangle. Then click on brown they are 4cm and the fingers are $\frac{1}{2}$ cm the fingers are brown of a connect it to the middle part of the snowman.
5. Go shapes pick the rectangle make the scarf blue it is $2\frac{1}{2}$ cm going across and 2cm going down put on the neck of the snowman.
6. Make the mouth and buttons black $\frac{1}{2}$ cm long put it on the face of the snow man. The buttons for the square is black and $\frac{1}{2}$ cm long put it in a line in the middle. Then go to shapes pick the circle put it on the snowman's head were the eyes would go on a person.
7. Go to stamps pick the one that is on the top middle the stamp size is 12 put "I look good" in it make the line size 8 the color of that is blue.
8. Go to shapes then go to the rectangle make a broom stick about $6\frac{1}{2}$ cm make it go on the hand and make it brown and the brushes are $1\frac{1}{2}$ cm and black put the bushes of the end of the broom.
9. The background is yellow and the grass is green and it is $1\frac{1}{2}$ cm up and down and it goes all the way across the page.
10. Make the hat put it on top of the snowman head and make a rectangle about $2\frac{1}{2}$ cm long and $1\frac{1}{2}$ going up and it goes on top of that.
